Headline:
Dull and cloudy with spells of rain and drizzle.

Today:
A cloudy and damp day with foggy conditions over the hills, and with spells of light rain or drizzle. There may be some drier interludes in the east during the afternoon, but remaining damp elsewhere. Light winds and staying mild. Maximum temperature 14 deg C (57 deg F).

Tonight:
Cloudy with further outbreaks of drizzle this evening and at first tonight. It should gradually become drier during the early hours, with some breaks in the cloud by morning. Minimum temperature 8 deg C (46 deg F).

Thursday:
A much brighter day on Thursday, with any lingering cloud soon clearing to leave largely sunny skies. Feeling pleasant in the sunshine with only light winds. Maximum temperature 14 deg C (57 deg F).

Outlook for Friday to Sunday:
Breezy on Friday with spells of rain at times. Largely dry with bright or sunny spells on Saturday. Cooler and breezy on Sunday but mainly dry with some sunshine.
